SWISSÔTEL DHAKA

Opening in 2018, Swissotel Dhaka is Swissotel Hotels & Resorts' first hotel in Bangladesh. The property will be located in the new business district of Gulshan and will be situated across from the new financial and leisure district of Motijheel. The area has a fresh water lake which has recently been converted into a leisure and recreation area, with a wide range of facilities. The airport is conveniently located just 12km away.

The hotel will feature 375 guest rooms and suites with a minimum room size of 38m², six restaurants and bars, 950m² of event space including a 500m² ballroom, as well as a Purovel spa with a swimming pool and other recreational amenities.
